

Dear Parents/Guardians,

Creekside K-9 College is looking forward to another a year of teaching and learning and would like to advise you of Creekside K-9 College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to complete the renovation of the library and the implementation of interactive televisions to assist teachers in the classroom. All voluntary contributions paid for the 2023 school year will contribute to the renovation of the sports courts.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Gary Eckersall
Principal
